FOR IMMEDIATE RELEASE

SEDITA ENDORSED BY AFSCME COUNCIL 35

AFSCME Praises Sedita's Record of Service and Qualifications for District Attorney

(Buffalo, NY) – Council 35 of the American Federation of State, County and Municipal Employees (AFSCME) has announced its endorsement of Frank Sedita for Erie County District Attorney. Mr. Sedita, the endorsed candidate of the Democratic, Conservative, and Independence parties, is running to replace District Attorney Frank Clark, who is retiring at the end of his current term.

AFSCME Council 35 represents over 2,000 public servants throughout Western New York. This endorsement is the latest of several recent endorsements Mr. Sedita has received from organizations representing public servants. He was recently endorsed by the Buffalo Teachers Federation as well as the Prosecutor's Association of Western New York.

William Travis, President of the AFSCME Council 35, praised Frank Sedita's record of service in announcing AFSCME's support of his campaign for District Attorney. "AFSCME Council 35 is proud to endorse Frank Sedita's candidacy for Erie County District Attorney based on his career-long record of public service and his qualifications for the job," said Travis. "Mr. Sedita has a record and reputation of being tough but fair as a prosecutor, and we felt that he is the most qualified candidate to lead the District Attorney's office now and into the future."

Frank Sedita is honored to have received the endorsement of AFSCME Council 35. "AFSCME represents many of our local workers who choose to serve the public and help keep our community safe and strong," said Sedita. "As a career prosecutor, I am honored to receive such overwhelming support from my fellow public servants."

With over 20 years experience as a prosecutor in the District Attorney's office, Sedita currently serves as the Deputy Erie County District Attorney and Homicide Bureau Chief.
