## **SEDITA RECEIVES ENDORSEMENT OF BUFFALO TEACHERS FEDERATION**

BTF Cites Sedita's Experience and Dedication to Public Service

**(Buffalo, NY)** – Frank A Sedita, III, the endorsed candidate of the Democratic, Independence, and Conservative parties for Erie County District Attorney, has received the endorsement of the Buffalo Teachers Federation. This endorsement, signaling the support of an organization representing over 3,500 Buffalo Public School Teachers, adds to the growing momentum Sedita has gained in recent weeks in his campaign for Erie County District Attorney.

Philip Rumore, president of the Buffalo Teachers Federation, strongly praised Mr. Sedita's strong record as a career prosecutor and public servant.

"Everyone in the community knows that Frank Sedita is without doubt the most qualified candidate for District Attorney," said Rumore. "He is a tenacious, honest, and highly successful Deputy District Attorney. In contrast to others, Frank Sedita has shown his commitment to our community by turning down lucrative offers in private practice, staying instead in public service on our behalf."

Mr. Sedita, a career prosecutor and public servant, said he is honored to receive the endorsement of the Buffalo Teachers Federation. "I am honored today to receive the endorsement of the BTF, representing the hard working teachers of Western New York. As a fellow public servant I understand and respect the work our children's teachers do to serve their community, and I look forward to working together with them as the next District Attorney."

With over 20 years experience as a prosecutor in the District Attorney's office, Sedita currently serves as the Deputy Erie County District Attorney and Homicide Bureau Chief. Mr. Sedita is running to replace Frank Clark as the next Erie County District Attorney.
